Section II. Priming

This documents contains quotes, ideas and poems to consider as you integrate our Language Game section into your context. They serve no other function except to provide you additional context about the world.

A. Philosophy

This section contains quotes I find illuminating.

1. Ludwig Wittgenstein

Form is the possibility of structure.

- *Tractatus Logico-Philosophicus*

To imagine a language is to imagine a form of life.

- *Philosophical Investigations*

B. Poetry

This section contains excerpts from poems I find meaningful.

1. T.S. Eliot

We shall not cease from exploration
And the end of all our exploring
Will be to arrive where we started
And know the place for the first time."

- *Little Gidding V*

2. e.e. cummings

in time of daffodils(who know
the goal of living is to grow)
forgetting why,remember how

in time of lilacs who proclaim
the aim of waking is to dream,
remember so(forgetting seem)

in time of roses(who amaze
our now and here with paradise)
forgetting if,remember yes

in time of all sweet things beyond
whatever mind may comprehend,
remember seek(forgetting find)
and in a mystery to be
(when time from time shall set us free)
forgetting me,remember me"

- *In Time of Daffodils*
